CHAPEL: "A FULLER SERVICE OF WORSHIP"

*Love God with all your soul and strength,
With all your heart and mind;
And love your neighbor as yourself:
Be faithful, just, and kind.*

The worship services being planned for this quarter promise an opportunity for our community to grow in love and faith and to joyfully present our praise and thanks to our loving Father.

THE TEN O'CLOCK EVENTS FOR THE WEEK SANCTUARY CONGREGATIONAL CHURCH

SEMI

WE WILL BE VIDEO TAPING BOTH TUESDAY AND WEDNESDAY OF THIS WEEK. COME AND PARTICIPATE AS WE WOULD LIKE TO HAVE A GOOD ATTENDANCE FOR THESE SESSIONS.

Tuesday

Our President, Dr. David Allan Hubbard will lead us in our first service of worship. Let's begin our quarter in the praise of God.

Wednesday

COMMUNITY DAY - ALL OFFICES AND FACILITIES CLOSED SO THAT WE MAY WORSHIP TOGETHER.

Dr. Jack Rogers Professor of Philosophical Theology will be our speaker for this Community Day. His topic will be, "An Authority Which Enables Us To Act". Our music for today will be a special treat. The Jamestown College Choir from Jamestown, North Dakota which is ranked as one of the finest a cappella collegiate choirs in the nation will be with us. This choir is under the direction of Dr. Richard Harrison Smith. Let us all try to be present for this fine presentation.

Thursday

"PRAISES" - A student-led worship service in Pilgrim Chapel of the Congregational Church. Many students have expressed the desire for a less formal service of worship. This Thursday's event is an attempt to address that need. This service will include the singing of more contemporary kinds of worship songs, an abbreviated devotional message, an opportunity to express prayer requests and to share personal testimonies, and a greater emphasis on student participation. We encourage you to support this new venture with your presence, participation, and prayers. If you have any comments, or wish to be involved in this service, contact: John McClure, Box 590.

Prayer Group News

FRENCH PRAYER BREAKFAST: Join us to pray for France on Wednesday Afternoon, 5:15 P. M., in the Refectory. We pray when the French are baking bread and preparing for a new day.
(Wendy Bernhard - Box 958)

AN INVITATION TO ALL: Students are finding it helpful to team together in prayer with one or two individuals in their class, to pray for their studies and the class. If you would like to participate with us, there will be an orientation meeting on Thursday, April 5, 1979, at 12 Noon in the 150 Conference Room. See you then. Janet Halvorson, Box 302 and Cindy Paulson. Box 447.

MUSLIM WORLD PRAYER FELLOWSHIP: A prayer meeting of those concerned for the evangelization of the Muslim world will be held each Monday evening at 5:15 P. M. at the north end of the Refectory. We will eat dinner together and then have a time of sharing and prayer, which should last until about 6:15. If you would like to pray with us, but the time is inconvenient, please call Jim Heaton at 793-5677. Please consider the tremendous needs of well over 600 million Muslims among whom only a handful of missionaries and Christians are witnessing for Jesus Christ.

Faith Renewal Team

THE FAITH RENEWAL TEAM is looking for a few good men and women who are committed to a personal relationship with Jesus Christ, to one another as members of the Body of Christ, and to Christ's work in the world. They should also enjoy travel, sharing their faith, and relating to people both in a teaching role and as a participating member of a small group. A substantial time commitment is involved but the rewards far exceed the cost. Interested? Pick up a preliminary application form for next year's Faith Renewal Team in the Team Office (second floor of the 150 Building) and sign up for an interview THIS WEEK. If you want more information about the Team stop by the Office. We even promise to smile when we answer your questions.

Student Council

My name is Harold Otterlei and I'm your new Student Council President. A few of you know me; most of you don't. If you don't, your question might be, "So what?" and "What does student council do anyway?" Quite frankly, we do a lot. Briefly, one of the things I do as President is act as a liaison between the administration/trustees and the student body. Obviously, we as students are very interested in expressing our concerns/hopes to them. They also want very much to know those concerns. I am given the privilege of fulfilling this task via personal contacts, attending many committee meetings and the Board of Trustees' meetings. Finally, in the next four weeks we will be deciding next year's budget which determines your student activity fee. Got any ideas? Stop and tell me. Drop me a note. Want to see things added? Dropped? P. O. Box 202.

Music

For friends of Free Thrower and other musicians. Free now has his own five-piece band and they will be in concert at Church On The Way, Friday evening, Tonight the 23rd of March.

this week at the

FRIDAY NIGHT FELLOWSHIP in
concert
7:30 PM Friday, March 30th

Ain't it awful?

It has come to my attention that there are still people who are unaware of the Friday night fellowship at the Catalyst. To fill you in on our evidently well-kept secret, we begin Friday evenings at 7:30 with a free concert by local Christian musicians. Then, after a short break, we regather for body life ministry & singing that will set your spirit free. There is no "program" other than the concert, so what happens depends upon who comes... we hope you will. ∞ 7:30 Friday evenings at the CATALYST ∞

Keep your eyes open for this event and more!

On Wednesday, April 5, there will be a meeting of all women students in the Parlor of the Congregational Church. This meeting is for the purpose of ratifying the new Women's Representative for 1979-1980. This is a student council position, appointed by Women Students. We will also be sharing plans and goals for spring quarter, and for next year. Bring your brown bag lunch at noon on Wednesday.

Financial Aid

The newly designed Financial Aid Forms are now available. Psych students will get theirs through the School of Psychology. Theology students may pick up a form at the switchboard or in the waiting room of the business office. Missions students will continue to use the financial aid applications provided by SWM.

THE DEADLINE FOR TURNING IN THE APPLICATION HAS BEEN MOVED TO APRIL 30 BECAUSE OF THE DELAY IN GETTING THEM TO YOU. THEY SHOULD BE RETURNED TO THE FINANCIAL AID OFFICE WHEN COMPLETED.

It is important that the figures you enter are accurate as well as legible. Please do not apply for aid unless you really need it. Many students in real need this year had to do without assistance from the Seminary because of the lack of sufficient funds. If you receive aid you find you do not really need, we implore you to voluntarily return the grants and loans to us so that your brothers and sisters can have their crises eased.

It is our goal to inform returning students of their aid packages before the end of spring quarter (via your mailboxes here) but, failing that, be sure the mailing address you show for the summer on the application is the one at which you will be sure to receive notification of the decisions of the Financial Aid Committee in your case. This is particularly important because you will be required to sign the Offer of Financial Aid and return it to us in order to receive the aid offered.

WONDERING HOW TO PUT THE PIECES TOGETHER??

Career/Life Planning Seminar

April 2, 4, 11, 16, 18, & 23
5:30 - 7:00 p.m.
Payton Hall 302
Cost of \$15.00

Instructed by Libbie Patterson

CAREER PLANNING involves much more than deciding "what-am-I-going-to-be-when-I-grow-up?" It involves looking at oneself, in order to find one's own unique skills, abilities, and interests. It involves Value Decisions, Priority Setting, and Long-range -- as well as Short-range -- Vision... For the Christian, it means above all discovering and being assured of doing what God has called one to do.

IF YOU ARE WONDERING ABOUT THE FUTURE -- or trying to help someone who is -- perhaps this course is for you.

TOPICS INCLUDE: Skills Identification, Values Clarification, Deciding Priorities, and More...

Two VOCATIONAL INTEREST TESTS are included in the course.

REGISTER by calling Libbie Patterson at Fuller Extension 167.

Last June, Fuller Seminary co-sponsored a national conference, "Women and the Ministries of Christ". That conference was attended by over 850 women and men from all over the country. The leadership team included evangelicals of national stature: Virginia Mollenkott, Don Williams, Becky Manley Pippert, Letha Scanzoni...and over 50 other speakers and workshop leaders. If you missed the conference, don't despair. A book which contains the major writings from the conference, including all the main addresses, and all the study/discussion groups, is now available, through the Fuller bookstore. If you attended the conference, and have friends who did not, this is also a great way to catch them up on what they missed. If there are people in your church who are discussing the "women's issue", this makes an excellent resource book, from an evangelical perspective. Check with the Fuller Bookstore for your copy.

ATTENTION ALL STUDENTS: Friday, March 30 has been set aside for a conference on ministry for prospective students. About 175 prospective students will visit the campus that day. We have an extensive program including times with faculty and administrators, visits to certain classes, a luncheon, and admission and program information. If you meet these people in the classroom, or in the hallway, please make yourselves friendly. I will appreciate it, and I am sure they will too. If you have any questions, please feel free to contact the Admissions Office. Mel Robeck
